

Alaska Native Brotherhood & Alaska Native Sisterhood
Grand Camp

Resolution # 14-03

TITLE: Diabetes

WHEREAS, Natives in Southeast Alaska for the past several years, according to statistics show that diabetes numbers are increasing, and

WHEREAS, a leading cause for death is heart and other problems such as blindness, amputation, and

WHEREAS, if this disease is going to decrease there is a need for education at an early age, and

WHEREAS, there needs to be an all out effort to have the Natives in Southeast Alaska made aware of this fatal disease, now

THEREFORE BE IT RESOLVED THAT the Alaska Native Brotherhood and the Alaska Native Sisterhood in convention in Ketchikan, Alaska on October 3, 2003 adopt this resolution and requests SEARHC to provide Southeast Alaska communities with information about diabetes, including at future Grand Camp conventions as an independent agenda item.

Samuel Jackson, ANB Grand President

Doloresa Cadiente, ANS Grand President

I certify that the Alaska Native Brotherhood and the Alaska Native Sisterhood Grand Camp adopted this resolution in convention in Ketchikan, Alaska on October 3, 2003.

Nathalie Williams, ANB Grand Secretary
